Crescent City Fire & Rescue members staff a “Help Fill the Fire Truck!” booth outside Tractor Supply in Crescent City on Friday, Nov. 27, collecting donations for Santa’s Workshop.

The community was asked Friday at Tractor Supply in Crescent City to help fill a fire truck with mittens, hats, toys and the other things local kids need and want this holiday season.

The donation drive is part of Santa’s Workshop, the holiday program managed by Rural Human Services. The goal is to help make sure no kid in the community feels left out this year.

Crescent City Fire & Rescue members staffed a booth outside the store Friday morning, with a fire engine parked out front.
