

Del Norte County Fair ... Comes to life

August 7, 2019

The recently completed Del Norte County Fair featured four days of sensory overload. Visitors were treated to a bonanza of returning attractions of rides, animals and food. Then, there was the unexpected ... such as when headliner

Mark McGrath pulled from the crowd Crescent City singer Holly Wagner to the main stage and they performed a duet of "Ice, Ice Baby." Bulls, trucks, horses and livestock contributed timeless county fair memories. Fun for all! Photos by David Jeffcoat, Michael Zogg and Mike Cuthbertson
