

Sea Front Bakery Debuts...Where Good Flavors are a Shore Thing

June 15, 2024

The very first thing you notice when you enter Crescent City's newest dining venue, Sea Front Baking in Crescent City, is everyone's smiling, lots of happy folks.

What was once the Pizza King is now Sea Front Bakery, with a few changes.

Saturday's soft opening of Sea Front, the younger sibling of the renowned Sea Quake, is located off the S Curve on Front Street and 101. Sea Front attracted a brisk and steady stream of anxious and hungry diners at the sparkling new restaurant which can accommodate up to 100 patrons.

Sea Front is a sure bet, a big hit in Crescent City.

Manager / Ownership Team Deja Wakefield was number one among those smiling faces and shared the breakfast and lunch menu. Lots of yummys! "Hang on, Sea Front will be expanded to dinner menu, shortly, inc including gourmet pizza" while I was eyeballing the ice cream and breakfast window displays.

Hours of operation are 7am-2pm, Tuesday-through Saturday. When the dinner menu is ready, hours will expand.
