

Photos: Thanksgiving 2023 at the Fairgrounds feeds hundreds

November 25, 2023

Foursquare Lead Pastor Roger Bodestab and volunteers served 1200 full Turkey and all the trimmings dinners at the Del Norte County Fairgrounds, last week.

Pastor Bodenstab heaped praise and gratitude to all the volunteers coordinated by Rena Short and Maria Guy and to the Del Norte Unified School District volunteers for the use of its kitchen facilities at Crescent Elk in preparing the meals.

No food went to waste. Staff prepared meals to go and delivered to individuals throughout Crescent City.

Fourquare announced funding to feed those in need fell about \$2000 short and sought donations to eliminate the deficit. Contributions are greatly appreciated at www.ccfoursquarechurch.org/thanksgiving
