

Del Norte Walking group inaugurates Hiouchi Trail

January 26, 2023

The Del Norte Walking group inaugurated its first walk, Saturday morning.

About 40 walkers, many with their dogs, met at the Hiouchi Café and walked the .8 mile (1.6 mile RT) trail connecting the Jed Smith Park and the Café.

The Trail was built on Tolowa Dee-ni heritage lands by National and State Parks and was officially dedicated this past December.

The Trail provides a safe walking corridor, off the busy 199 and is canine-friendly.

The Del Norte Walking group organizes short hikes through Del Norte and Curry counties and welcomes walkers of all ages. For more information and additional events, call (707)951-6361.
