

Pride in Community Clean-up of BBQ Pits, Howe Drive

April 3, 2024

The weather was picture-postcard perfect as the Church of Jesus Christ of Latter Day Saints picked up litter and removed rocks along the pathways at Battery Point, the BBQ pits and Howe Drive, this past Saturday. Some 50+ individuals including youth aged 11-18 from Del Norte and Humboldt counties participated in the 4th Annual Pride in Community event, assisting the City in keeping our community beautiful. Special thanks and recognition to Crescent City staff Tim and Dustin and Take a Bite out of Blight.
