

Photos: Sea Cruise Weekend is a big success

October 10, 2023

There was plenty of eye candy at the 31st Sea Cruise car show, hosted by the Northern Knights Car Club and the Crescent City- Del Norte County Chamber of Commerce. Last week's Show was sponsored by the Lucky 7 Casino, Elk Valley Rancheria Casino and Lisa McKeown State Farm agent.

The two day event hosted 125 antique, hot rods and classics at Show'n Shine, Friday afternoon on 3rd St. Hundreds casually strolled up down the street, chatted with vehicle owners under magnificent clear, afternoon skies.

The event moved to Beachfront Park, all day Saturday. Hundreds of vehicles strutted their best stuff. The sun peeked its way through overcast skies.

104 plaques covering 50 vehicle classifications were presented Saturday afternoon.

Noted are just a few of the 233 entries.

A picture is indeed worth a thousand words and eye candy is so sweet. More pictures of the successful two day event are displayed.
