

Anonymous Del Norte Contractor donates firewood to needy families

November 23, 2023

In most news stories, there's usually a Who, What, Where, When and Why to the event.

This story is an exception. It's a WHAT and WHEN only story. The what is a generous donation. The when, was Monday, November 20. The where is somewhere in Del Norte county.

There's no shortage of anonymity or generosity on this heart-warming story. From donor to recipients, names are respectfully omitted.

Every year about this time, a generous contractor who wishes to remain nameless donates a cord of firewood between two needy families.

The recipients of this donation will now have a warm holiday season. Anonymoyus Missionaries from the Church of Jesus Christ of Latter Day Saints helped unload and stack the wood on both properties.

The latest act of kindness comes as a result of the Del Norte Sheriff Dept playing an integral role in assistance in diffusing a difficult neighborhood squabble which could have escalated dramatically without the Department's intervention.

The donor of the firewood was so impressed with the deputy's assistance, the individual made the firewood donations in recognition of the role the Sheriff's office played in helping diffuse what could have been a serious incident.

The generosity of the donor will help make a joyous Holiday season for these two families. Here's to a great kickoff to the Holiday season.
