By **Linda Sutter** October 23, 2025

The Crescent City Harbor’s newest entertainment venue, Port O’ Pints, opened earlier this year and has quickly become a local favorite. Combining great drinks, good company, and a lively atmosphere, Port O’ Pints offers something for everyone — from casual gamers to live music enthusiasts.

Located right on the waterfront, the establishment features a wide selection of craft beers, a variety of indoor games, and a welcoming environment perfect for friends, families, and visitors looking to unwind by the coast.

Patrons can enjoy pool, darts, and other classic bar games while sampling award-winning brews made with local flair. Live entertainment and community tournaments add to the excitement, making Port O’ Pints a cornerstone of Crescent City’s growing harbor nightlife.
