

Special Harbor Meeting Addresses Fireworks and Tri-Agency

September 18, 2024

The Crescent City Harbor District (CCHD) called a Special Meeting, Thursday, September 5 to discuss direction of a proposed Ordinance prohibiting all fireworks in the marina basin.

Commissioners heeded the advice of the CCHD Ad Hoc Committee in directing the harbormaster to draft an Ordinance banning all Fireworks, including Safe'n Sane Fireworks from the entire Harbor, north of Anchor Way. Discussion to include South Beach enforcement excluded.

The vote to ban the entire menu of legal fireworks was directed to protect moored vessels. The vote was unanimous.

In other business, the CCHD voted to join the City and County in dissolving the Tri-Agency Economic Authority and agreeing to equally divide the debt of approximately \$10,000-\$15 000 in mostly unpaid legal fees.

Finally, a Closed Session item regarding a pending legal action for enforcement of the California Public Records Act involving CCHD receipts was held, with no public announcement made.
