

Mill Creek Horse Trail Closure Extended

December 26, 2019

Due to adverse weather conditions and for the continued protection of public safety, the current closure of the Mill Creek Trail will be extended through January 16, 2020 while trail improvements are being made.

The portion of Mill Creek Horse Trail from the Bertsch Ave. trailhead to Rellim Ridge Trail, and all of Rellim Ridge Trail, will remain open to equestrians and hikers. All other portions of Mill Creek Horse trail will remain closed.

For questions about the trail maintenance work and closure, please contact Lynn Erickson-Levi, National Park Service Trails Supervisor, at (707) 465-7737.
