

School district to provide breakfast, lunches during closure

March 23, 2020

The Del Norte Unified School District Nutrition Services Department will be providing breakfast and lunch during to families during the closure due to COVID-19.

Throughout the length of the school closures, which is currently scheduled for March 16 through April 10, the Nutrition Services and Transportation Departments at Del Norte County Unified School District will be collaborating to provide lunch and next day breakfast on a modified bus schedule at established bus stops.

Bus drivers will have copies of the modified bus schedules for families as well as being posted on the district's website.

Families picking up food for several children should consider bringing a grocery bag to carry lunch and breakfast bags.

Lunch and next day breakfast will be available at each of the school sites from 11 a.m. to noon throughout school closure.

Both of these opportunities are available to all children infant-18 years of age. Children need not be present at the bus stop or school for lunch and next day breakfast pick up however staff welcomes the opportunity to greet the children in the community.

If you have any questions, call Nutrition Services at 464-0246. Refer to the scheduled lunch and next day breakfast drop off times online at <http://bit.ly/3bb2rc9>. If you do not see your regular bus stop on the route, contact Transportation at 464-0250.
