

Sutter Hospitals Recognized for High-Quality Care and Access

August 17, 2025

Six Sutter hospitals earned state and regional rankings in the latest edition of U.S. News and World Report Best Hospitals report, with several recognized across other specialties- underscoring the California-based, not-for-profit health system's ongoing commitment to high-quality patient care.

A total of 18 Sutter Hospital campuses received "High Performing recognitions in at least one specialty, putting them in the top ten percent of all Hospitals evaluated.

Sutter Coast Hospital was recognized for its high quality in Pneumonia care.
