

School district to host LCAP community input sessions

May 13, 2020

It is that time of year again for the Local Control and Accountability Plan (LCAP) Community Input Sessions to begin. These sessions give an opportunity for the community to provide input and feedback on various programs and services provided by the Del Norte Unified School District using LCAP funds. The feedback used from these meetings helps DNUSD determine what programs and services are funded and which programs that are being supported by LCAP funding are discontinued.

This year the meetings will be held digitally on Zoom, in order to participate you will need to pre-register, you can do that using the links below.

9 a.m. May 14
