
Del Norte Triplicate staff relocated

November 12, 2020

Dear Reader: To adapt to the ongoing health crisis stemming from COVID-19, we have relocated our Del Norte Triplicate staff to help ensure their safety and that of our Crescent City customers and community.

For an indefinite period of time, our Triplicate employees are working out of the Curry Coastal Pilot office in Brookings.

Meantime, we will continue to provide service to our Del Norte Triplicate customers by phone at 707-460-6727 or by emailing triplicateofficemgr@countrymedia.net.

Our hope is that this move will reduce the number of contacts required of our employees and customers.
