

The 6 p.m. Report: COVID-19 in Del Norte and Curry counties

July 24, 2020

Our 6 p.m. report continues, with the latest data we could round up for July 24, 2020. Our last report was yesterday, although it was an abbreviated report.

The Short Report

This report includes information available as of about 4 p.m. on July 24, 2020. Not all data is available in the same form from various jurisdictions.

Del Norte County — no new confirmed positive cases reported since yesterday; 22 active, 62 inactive cases; 3,417 completed tests; 0 deaths. [More info here.](#)

Curry County — no new confirmed positive cases reported since yesterday; active positive cases: 6; recovered cases: 7; negative cases: 909; completed tests: 922; deaths: 0. Cases from Pelican Bay State Prison staff who live in Curry County have not yet been reported. [More info here.](#)

California — Since yesterday, new positive cases: 9,718; Deaths: 159. [More info here](#) and [California County Watch List](#)

Oregon — Since yesterday, new positive cases: 396; Deaths: 9. [More info here.](#)

Pelican Bay State Prison — no new reports, which will come via Del Norte County; [more info here.](#)

United States — Since yesterday, new positive cases: 72,219; deaths since yesterday's data: 1,113. [More info here.](#)

Worldwide — Since yesterday, new positive cases: 284,196; death since yesterday's data: 9,753. [More info here.](#)

New! Additional resources

We've discovered two additional information resources we think will be helpful to people in our area.

Curry County, Oregon: This website provides a way to look at each county in Oregon and get the latest published date.

Del Norte County, California: This website provides a way to look at current data in California, down to the county level, as well as forecasts and scenarios based on modeling.

Because these websites seem to provide a great deal of detail with more precision than we can manage, we are discontinuing our percentage calculations at this time. Data on these websites may vary a bit from local data due to reporting time gaps.

About Our Report

Our late afternoon report, Monday through Friday, is part of our effort to provide the communities served by the Curry Coastal Pilot and Del Norte Triplicate with the latest relevant information about COVID-19.

Although the communities we serve are in two different counties and two different states, residents frequently travel to neighboring communities for work and shopping. The virus is not contained by city, county or state boundaries. And we all need to know the rules at play in the jurisdictions we might visit.

Unless there is urgent information that must be shared, we plan to make just one post daily with the best information we can gather — and compile what is relevant for our Friday print editions.

If you have a suggestion for information you would like to see in this daily (Monday through Friday) report, please send an email to: piloteditor@countrymedia.net.

Unfortunately, all jurisdictions do not report information in the same format, so some information has not been provided for us to share:

About COVID-19

Basic information about COVID-19 is available at the Centers for Disease Control website.

What you need to know:

Anyone can have mild to severe symptoms.

Older adults and people who have severe underlying medical conditions like heart or lung disease or diabetes seem to be at higher risk for developing more serious complications from COVID-19 illness.

Symptoms may include:

Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

Fever or chills

Cough

Shortness of breath or difficulty breathing

Fatigue

Muscle or body aches

Headache

New loss of taste or smell

Sore throat

Congestion or runny nose

Nausea or vomiting

Diarrhea

This website has a handy self-checker questionnaire.

Testing

Del Norte County provides a website here with information about testing, which includes some options for Oregon residents, as well as California residents. As of today, the information may seem a little dated, but it's a good start if you would like to be tested.

CVS Pharmacy in Crescent City also provides testing, appointment required, for California residents only. Information here.

In Curry County, check this website for testing information. Also the State of Oregon has a new website to assist you in finding testing (does not include California locations). <https://govstatus.egov.com/or-oha-covid-19-testing>
