

Volunteers wanted for dune restoration

March 14, 2020

The Tolowa Dunes Stewards and Redwood Parks Conservancy invites volunteers to join them on Sunday, March 15, from noon to 4 p.m. to restore the Big Dune in Tolowa Dunes State Park, the largest living dune in Del Norte County. The groups are hoping to continue to restore more than 30 acres of living, moving dune, all by volunteers.

Meet at the Lake Earl Wildlife Area Information Center, 2591 Old Mill Rd., Crescent City. Wear sturdy shoes for walking in and sand, dress in layers and bring a hat, water and personal snacks. Heavy rain or wind cancels the event. To learn more, call or text Tolowa Dunes Stewards director Sandra Jerabek at 954-5253.
