

Graffiti Corner: Community responds, recognizes and reports ugly vandalism

January 2, 2025

Kudos to community watchdogs, the City and Pacific Power for prioritizing abatement graffiti scrawl. New graffiti was noted and reported to the City: Gang scrawl on the south curb at the vacant Spectrum parking lot on Northcrest Drive and recently “tagged” USPS mail box on the 1200 block of Marshall Street were reported.

The 2025 goal: Graffiti-free community.

Citizens of Del Norte, please continue to contact The Triplicate at triplicatenews@countrymedia.net.

Thank you.
