

Chamber hosts 25th anniversary of its Economic Summit

March 11, 2020

The Crescent City Del Norte Chamber of Commerce invites everyone to attend the 25th anniversary of its annual Economic Summit on March 27.

“We pull together business and community leaders, representatives from the government, the tribes, and the Rancherias in the county to give updates on and celebrate the accomplishments of the past year and share a dream of the possibilities of the future,” said Chamber Director Cindy Vosburg.

This year’s theme is “Go for the Gold: Everybody Wins.” The keynote speaker will be Sen. Mike McGuire.

The summit will be at the Elk Valley Rancheria’s Sam Lopez Center, located at 2332 Howland Hill Rd.

Vosburg said check-in starts at 9 a.m. and the summit kicks off at 9:30 a.m. Tickets are \$40 and include lunch and refreshments.

“There will be exciting updates, marketing, and an update of last year’s marketing campaign from the Visitor’s Bureau, videos and about 8-9 speakers, each sharing and reporting exciting stories. It should be a fun day,” Vosburg said.

She added the Chamber and Visitor’s Bureau will host a session to set regional goals for the next 20 years, “what we want to look like in 2040.”

Vosburg said tickets go quickly, as there is limited seating — 22 tables with room for 176 people. About 80 tickets have already been purchased. To reserve a seat, call Louann at the Chamber at 707-464-3141. Vosburg added there are still opportunities for sponsors and vendors to get involved.

“Also, be sure to stick around for the delightful surprise ending the day,” Vosburg said.
