

Workforce Center/STEP asking local businesses about recovery plans

May 8, 2020

Del Norte Workforce Center, in conjunction with NoRTEC (Northern Rural Training & Employment Consortium), has launched a survey this week. It will be open until Friday, May 15.

The Workforce Center wants to know how residents are managing and adapting business operations during this economic shutdown caused by the coronavirus pandemic.

The brief survey is available at www.dnwfc.org, under Business Services, to share how you have adjusted, challenges you are facing and your plans for the future.

With the information received from the local business community, staff will be able to help advocate for necessary resources.

Del Norte Workforce Center/STEP Inc. is the contracted service provider through the Northern Rural Training and Employment Consortium (NoRTEC) for Workforce Innovation and Opportunity Act (WIOA) funded programs and services in Del Norte County. Customers can access WIOA employment and training services through America's Job Center of California (AJCC) located at 875 5th St. in Crescent City.
