

Groundbreaking for Pump Track and Front Street revitalization projects

July 30, 2024

The City of Crescent City would like to invite the community to the Pump Track Groundbreaking Ceremony on Wednesday (7/31/24) at 5:00pm in Beachfront Park adjacent to the Dog Park. This project is funded by a CA Prop 68 Parks Grant, and we are excited to be breaking ground the first amenity of many over the next two years in the Beachfront Park.

The City of Crescent City would like to invite the community to the groundbreaking of the next block of the Front Street revitalization (I Street to Play Street) on Monday (8/5/24) at 5:00pm at the intersection of Front and I Street. This project is funded by Community Project Funding from Congressman Huffman, State and Federal transportation funding and Measure S.

Projects are estimated to be completed by the end of November 2024.

Please call The City of Crescent City Public Works Department if you have questions at (707) 464-9506 ext 226.
