

Community invited to join sudden oak death webinars

September 13, 2021

The community is invited to join Oregon State University Extension, Oregon Department of Forestry and other partners to learn more about the Sudden Oak Death infestation in Port Orford in a two part webinar series.

Learn what Sudden Oak Death is, how it spreads, symptoms, the treatment approach, sampling and detection strategies, current research, citizen science opportunities and funding opportunities.

Session 1: September 14, Tuesday 4 - 5:30 pm.

Session 2: September 22, Wednesday 4 - 5:30 pm.

For dates, details and registration. Visit: <https://bit.ly/ramorum101> and select the upcoming workshops tab.

Questions? Contact Norma Kline at norma.kline@oregonstate.edu or 541-572-5263 ext. 25294.

This is a free series brought to you by the Oregon State University Extension Service.
