

Employers meet job seekers at job fair

May 2, 2022

Job seekers were given the opportunity to meet directly with potential employers at the SMART Workforce Center Job Fair held last week at the Del Norte County Fairgrounds. For more information about SMART Workforce Center programs and services, contact Christy Hernandez, program supervisor, at 707-460-4225.

The following businesses, organizations and agencies participated in the Job Fair, and look forward to hearing from job seekers looking for employment and career opportunities.
