

Update on the Fred Endert Pool closure

June 2, 2022

The city of Crescent City has hired a contractor, Hemmingsen Contracting Company, Inc., to complete the necessary repairs to the ceiling over the Fred Endert Pool, which has kept the pool closed.

Work will begin soon, and is expected to be completed within the next few weeks.

The city will provide an update once an established timeline has been made. Reopening of the pool will be announced as soon as possible.

If you have any questions or concerns or would like to check the status of the pool closure, you can contact the city at 707-464-7483.
