

Contractor Donates Firewood to Needy Families

January 4, 2025

For the third consecutive year, an anonymous Del Norte contractor has delivered a half-cord of firewood to a needy Crescent City family, free of charge. The anonymous family thanked the contractor and volunteers who selflessly helped unload the wood. The Church of Jesus Christ of Latter Day Saints (LDS) was assisted by local attorney Keith Morris. Two volunteers from National Parks also helped unload the large quantity of firewood for the family. A big shout out to all who helped on this project.

The family will enjoy a warm winter, thanks to the generous donor.

Merry Christmas and Happy New Year, everyone.
