

High Wind Warning from 4 PM Tuesday to 10 AM Wednesday

November 11, 2024

* **WHAT...**South winds 35 to 45 mph with gusts up to 60 mph expected. Winds up to 70 mph are possible over headlands and very exposed terrain.

* **WHERE...**The Coos and Curry County coastlines along and south of Cape Arago, including beaches, headlands, state parks, portions of Highway 101, and the communities of Brookings, Gold Beach, Port Orford, and Bandon.

* **WHEN...**From 4 PM Tuesday to 10 AM PST Wednesday.

* **IMPACTS...**Damaging winds could blow down trees and power lines, and damage or blow away unsecured objects. Power outages are possible. Travel will become difficult, especially for high profile vehicles
