

Kamome Foundation Receives Pacific Power Grant

September 13, 2024

The Pacific Power Foundation announced grant awards of \$240,000 to educational recipients in California, Oregon and Washington

The Kamome Foundation, Crescent City received a major grant to cover travel expenses for Del Norte High School Seniors who belong to the Japan Club, allowing several students and chaperones to travel to Rikunzentakata on a 10 day cultural exchange program, the culminating event of the school year.

The Foundation seeks to create opportunities into the future, investing in programs that empower and support young people in education and skill development in an ever-changing world.
