

Newspaper delay

January 10, 2023

We apologize for any inconvenience, however, due to the closure of Highway 101 near Port Orford caused by a landslide, the January 13 edition of the Pilot and Triplicate newspapers may be delayed. Delivery to the Post Office is expected later in the day on Friday, resulting in home delivery likely occurring on Saturday or Monday. Newsstand copies of both publications should also be available later in the day on Friday.

The e-editions of both papers will not be affected. Online access is available to all print subscribers.
