
First Friday is cancelled on September 1

August 28, 2023

After careful consideration with regard to the potential strain on City resources and the current air quality, we have decided to respectfully cancel this upcoming First Friday (September 1).

Please stay tuned for our October 6th First Friday kicking off Sea Cruise weekend with Show & Shine. This FF will be an earlier start - we will email more details soon, just want you to be able to plan for a great event.
