

Recology Del Norte: More than just trash

April 20, 2023

Jon Perry, general manager of Recology Del Norte, leads a team of 19 employees dedicated to picking up your trash and providing quality services to keep Del Norte County clean and beautiful.

Recology Del Norte, a major supporter for “Coats for Kids” and Del Norte Little League, also provides up to 20 per year all-size charity bins applied through the Del Norte Solid Waste Management Authority, for public and private entities to pick up the almost endless trash spewed about Del Norte County. The first of the 20 bins was distributed to Neighbors Helping Neighbors on a community cleanup in Gasquet,

Recology is an employee-owned company that has provided quality and reliable trash and recycle service.

May is brush cleanup month. During the course of the month, Recology trucks will pick up once during the time frame, green waste and brush deposited curbside. If you are a subscriber, please call Recology to see when your green waste will be picked up.

Subscribers to the service are provided two bulk sized items to be picked up at your home for free. A refrigerator or freezer is considered as a single item, annually.

There are many problems with difficult items to dispose. Fret not, Recology Del Norte has solutions for hard to dispose of items.

Recology Del Norte is always looking for good employees. Fill out an application, if interested.

Recology Del Norte is located at 2675 Lake Earl Drive.
