May 16, 2021

Three Del Norte California high school rodeo members recently completed a very successful rodeo season.

Quinton Phillips, Alaysha Lee and Kaydence Farley all received award jackets for their 2020-21 year's performance. Lee competed in poles and barrels, Farley ran poles, barrels and goat tied. Phillips rode bulls.

Farley was crowned the District 2 Rodeo Queen after competing in speaking, doing an interview, modeling and displaying horsemanship carrying a banner and completing a reining pattern. She will be representing District 2 while competing for the California rodeo crown in June.
