
Tolowa Dunes Stewards seeks volunteers for Sunday restoration

February 28, 2020

Tolowa Dunes Stewards seeks volunteers for the restoration of the Lake Earl estuary from noon to 4 p.m. March 1.

Co-sponsored by Redwood Parks Conservancy and California Department of Fish and Wildlife, the group will be working directly adjacent to the beautiful estuary and ocean.

Rain cancels the event. “Muck” boots are probably not needed. If it rains, a makeup date may be possible on Monday, March 2 at the same time and place.

Gather before noon at the end of Old Mill Road, north of Crescent City, at the Info Center, 2591 Old Mill Rd. Dress for the weather and bring water and personal snacks. Tolowa Dunes Stewards provides equipment, gloves and generous snacks.

To learn more, call or text Sandra with the Tolowa Dunes Stewards at 707-954-5253.
