

High school yearbooks arrive; distribution begins Aug. 3

August 1, 2020

In a year interrupted by the COVID-19 pandemic, Del Norte High School's 2019-2020 yearbooks are finally available.

Yearbook advisor Mariam Wilson, now in her 11th and final year with the class, said the yearbooks usually arrive in June. However, their usual printing plant was closed due to the coronavirus and there was a backlog of orders at the alternative printer.

The yearbooks, "Through the Eyes of a Warrior," will be available to pick up and purchase from the main office at the high school beginning Aug. 3 from 9 a.m. to 1 p.m. Wilson said there are still 70 copies available for students who did not pre-order. The books are \$65 each.

For questions, contact Wilson at mwilson@dnusd.org.
