

Sheriff Posse Vehicle Private Funds Coming in... Push Over the Finish Line for July 4th Parade

June 24, 2025

Del Norte Sheriff Garrett Scott is pleased to report the 501c3 Del Norte Sheriff Posse is reaching for the \$10,000 private funding for the 1954 Merced County Patrol vehicle.

Big thank you to major contributors Mimi Stephens of Bay Side Realty, Bill Crowell and Shawna Hyatt, from Crescent City.

Why a Posse Vehicle? In the old days, possession helped the Sheriff with all matters legal. Poses offer a different kind of assistance to law enforcement, today. Private funding is one of those functions.

The question was asked, why not fix potholes and private streets with these funds. Good Point!

With all the rancor and division in our political world, lots of anger, hostility and intolerance, wouldn't it be nice to put a smile on folks' faces who live here? The antique vehicle will be a parade regular (hopefully for

this upcoming parade), car shows, store openings in Del Norte and a regular at each of DNUSD 11 schools, giving our kids a ride in the Posse vehicle.

Lots of ways to make a drop off donation:

- GO FUND ME account. Enhance our Posse with your support.
- Del Norte Office Supply
- The Mail Room
- Tsunami Lanes
- CC Diner
- Les Schwab Tire
- Ocean World
- Crescent Ace Hardware
- Gold Beach Lumber

And the Del Norte Sheriff Office 650 Fifth St. Crescent City, CA 95531

No donation is too small.

Sheriff Scott thanks you for your support in making this magnificent vehicle part of the Del Norte family
