

Sea Cruise takes over Beachfront Park

October 15, 2022

For the 30th time, the Crescent City-Del Norte Chamber of Commerce hosted the Northern Knights Car Club Sea Cruise, with hundreds of classic vehicles coming to Beachfront Park. The annual event drew big crowds to the park to admire the classic cars and to enjoy near perfect weather. Mike Cuthbertson flew his drone over the park to get a birds-eye view of the hundreds of vehicles that set up to compete for prizes in several categories. In addition to the classic cars, those who ventured to Beachfront Park enjoyed live music, food and a variety of vendors.
