

Camp Barry rescues Dogs/ Fosters Puppies

September 30, 2024

Rhonda Barry does the most impossible but noble gesture: She rescues dogs. The owner of Camp Barry thanklessly yet thankfully saves canines who've been abandoned or simply dropped off at her door on Parkway Drive. Admirable!

To date, Rhonda has 23 dogs which include 11 adorable puppies, Catahoula/ Lab mix soon to be neutered and spayed.

All dogs, with the exception of the 11 week-old puppies have their shots and have been spayed/neutered.

Rhonda credits the Humane Society with helping the spay/ neuter program offered free and discounted services provided by the UC Davis Veteranarian Program.
