Water outage near K and Front streets until 3 p.m. Tuesday

The City of Crescent City says this should be the last scheduled outage for the K Street and Front Street upgrades

By Triplicate Staff October 27, 2026

Water is off from 8 a.m. to 3 p.m. Tuesday, Oct. 27, in the shaded area around K Street and Front Street.

City of Crescent City

The City of Crescent City has a water outage today, Tuesday, Oct. 27, from 8 a.m. to 3 p.m. at the locations shown on the map, due to continued construction on K Street and Front Street.

“We sincerely appreciate your patience as we improve our city’s infrastructure,” the city said. “This is expected to be the final scheduled outage related to these upgrades, and we apologize for any inconvenience it may cause.”

A temporary porta-potty will be available in the Mason Mall parking lot for local businesses to use.
