While traveling to the United States operating as a traveling nurse, she met Kenneth Brixey a Longshoreman and married in 1954, settling in Crescent City, CA. She retired 30 years later as a Register Nurse from Seaside Hospital, DNUSD school nurse, and several private practices, which included Dr. Vipond's Family Practice.

She was very passionate about personal health and spent many years swimming and instructing at the local community pool. She volunteered her time teaching exercise classes at the Del Norte Senior Center.

Reading was her favorite past time and must have read every book in the Del Norte County Library. In her latter years, she devoted much of her time and energy as a care giver to her loving husband Kenny until he passed away at the age of 84.
