Stanley Ray Tow was brought into this world by Christine Splitstone and Jim Tow. Stanley was also blessed with a loving parent named David Splitstone who is married to his mother Christine Splitstone. Stanley, age 55, born on August 31, 1967, in Sacramento, California, and left this world on February 1, 2023, peacefully in his sleep at his home in Crescent City, California.

Stanley was a loving son, father, grandfather, and devoted partner. He loved working on things with his hands like cars, and bicycles, working in the yard, and putting anything together that was put in front of him. Stanley was a kind and gentle man; he loved being around the kids and loved his man cave. There wasn't anything Stanley wouldn't do to help others. For fun, Stanley would take his fiancée Lazell out for dinner and spend a little time at the casino, or just sitting together to watch a movie. Stanley was a man of many accomplishments and had many friends including Sonnie, Diego, and others. He also had a very special bond with his son-in-law Terry, his cousin Bert, and his friend Wendy. He loved coloring, talking, and doing housework with Dianna, his mother-in-law. He was loved by so many and will be missed by more than can be named here.

Stanley is preceded in death by his sisters Melody and Wendy. Stanley leaves behind his fiancée and partner of 10 years Lazell Silva, his children James, Josh, Jeramy, Christopher, Bryant, Allisa, Sacha, Alivia, Isabella, Johnnie, and Zoey, his grandchildren Travis, Alani, Logan, Alice, Eli, Joshua David, Callie, Jacob, Jordan, Romeo, Terry Jr, and Noah Ray. The mothers of the children are as follows Kelly, Melissa, and Lazell. Stanley was and will always be a loved man and will be missed and never forgotten.
