Hope Marie Reha was born in Crescent City California, August 5th 1933 and passed away March 4th 2020 in Medford Oregon, at the age of 86. She was a 76-year resident of Del Norte county and lived the last 10 years in Jacksonville Oregon.

She attended local schools and graduated from Del Norte High in 1951. She married Frank Reha after high school and they had 3 sons, Frank Jr., Jerry, and Chris. She worked for Bank of America, the county of Del Norte, and in her late 40's she decided to go to college and became a teacher, a job she loved. At the urging of her brother, she started traveling and for many years traveled the world, often with her niece Kim.

Hope was preceded in death by her parents, brother Kenny, husband Frank and sons Jerry and Chris. She is survived by son Frank (Sally), grandchildren Molly, Mitchell, Chelsea, Sidney, Alexis and Joya. Greatgrandchildren Gavin, Romina, Aiden, Erin and niece Kim Hicks.

She will be buried in the veteran's cemetery in Crescent City, with her husband Frank.

Hope loved her family, travel, gardening and her dog Brandi, but maybe not in that order.
