

Letter: Thanks from the Grand Marshals

July 24, 2019

Dear Editor, Baird and I would like to thank the Chamber of Commerce for the honor of being Grand Marshals in this year's Fourth of July parade.

It was such a great, fun experience to see the Crescent City families dressed up to celebrate Independence Day, and the effort that everyone put into making the parade such an event!

Also, thank you to Michael Zogg (of The Triplicate) for doing such a great job of covering the various venues. He supports the community with his big smile, and his presence at so many events.

He's appreciated by all of us! Thank you!
