

Letter: New Years resolution from the Harbor

January 15, 2025

As the Chairman of the Crescent City Harbor District, I wish to share my New Year's Resolution with the community. I hope to show more gratitude in actions and words given to me by my Creator. I hope to be more open for my love of family. As Chairman of the CCHD, I hope to maintain the highest level of professional decorum, allowing the Commission to be more productive. I hope to help Harbor employees gain more knowledge and understanding in serving our public.

Gerhard Weber
