Crescent City Sober Grad turns Graduates away the day of graduation for turning in signed permissions slips late. Youth spend the night alone, drunk , because board memeber said they need to be held accountable for not following rules. This what I was told trying to plead with two board members to allow my nephew to attend the event. Both Board member were rude and felt the event was only for graduates who were able to act like adults and get permission slips in on time. As a full time student myself who flew in from Baltimore, I can tell you there is a way to celebrate every graduate who wants to attend sober grad. This is a event to save lives not teach youth life lessons.THIS POLICY HAS TO CHANGE , EVENTUALLY ONE OF THOSE KIDS BEING TURNED AWAY WILL BE INVOLVED IN A ALCOHOL RELATED INCIDENT GRAD NIGHT, THE STATS PROVE THIS.
