

Letter: In Response to Ambulance Crisis

April 15, 2025

In response to:

Samuel Strait and The Triplicates Wednesday, March 26th, Courage of The Ambulance Crisis in Crescent City.

I concur one hundred percent with their commentary on emergency ambulance service in Crescent City. I've used Del Norte Ambulance Service twice in my forty years living in Crescent City and had excellent service. I also have heard of no complaints from other citizens that have used their services. I would simply refer to two old adages. LEAVE WELL ENOUGH ALONE AND IF IT AIN'T BROKE, DON'T FIX IT.
