

Letter: Thanks for making our boutique a success

June 25, 2019

The Fairy Godmothers would like to extend a huge and heartfelt thank you to the entire Crescent City community for their help in making The Fairy Godmother Boutique a success this year.

We were able to provide dresses for dozens of girls in Del Norte County. Young ladies were able to choose dresses and accessories for Winter Ball, prom, graduation, and the Distinguished Young Women program.

None of this would have been possible without the generosity of those in our community and beyond. Dresses came, not only from local donors, but from as far away as Portland, Redding, and the San Francisco/Bay Area. Many people were equally generous with shoes, jewelry, make-up and tickets to events.

A grateful shout out to the Hartwick family for sharing a space with us for six months so we could cover all those events. Also, to Billie Kaye Tygart at 6 Degrees of Celebration for allowing us to have a quick graduation boutique.

Once again, thank you to the people of Crescent City for supporting the young women of our community and making them feel beautiful for their special events.

We will see you all next year.
