

Letter: End of the line for model railroad club

April 13, 2022

Due to our membership declining due to age, relocation and other reasons, the Del Norte Short Lines Model Railroad Club has had to make the unfortunate decision to close our layout at the Del Norte County Fairgrounds.

We greatly appreciate all of the support we received, and want to thank all of the businesses and individuals who donated to us over the years. We really enjoyed presenting our layout to everyone who came to see it.

Thanks again from the Del Norte Short Lines Model Railroad Club.

Robert Tupy
