

Letter: Supports Linda Sutter

February 27, 2024

My husband and I are writing to express our enthusiastic support for Linda Sutter's candidacy for Supervisor of the 5th district.

Having known Linda for several years, we can attest to her unwavering dedication and passion for our community. Linda possesses a larger-than-life personality that commands attention, and her boundless energy and determination are truly remarkable. She approaches every task with fervor and commitment, making her an invaluable asset to our district.

One of Linda's most commendable qualities is her thoroughness and diligence in addressing the issues facing our community. She not only attends meetings but also conducts extensive research to ensure she is fully informed on every matter. We have no doubt that she will prioritize the needs of her constituents above all else and will always act in their best interests.

Furthermore, Linda's integrity and commitment to responsible stewardship of public funds are evident in her actions. Unlike some, she will not misuse taxpayer money for personal gain, as evidenced by her principled stance against using public funds for unnecessary expenses like extravagant inaugurations disguised as training opportunities.

In summary, Linda Sutter possesses all the qualities necessary to be an exceptional Supervisor for the 5th District. She has our full support and confidence, and we believe she will lead with integrity, passion, and

dedication.

Thank you for considering our endorsement of Linda Sutter. Please feel free to contact us if you require any further information.
