

Letter: Your opinion about abortion is unimportant to me

July 28, 2022

I've been a long time subscriber to the Triplicate, through many editors. I don't ever remember knowing which political party they followed, until now.

I agree with Susan Roberts. And whether or not you've been married 30 or 75 years, your opinion of a woman's right to decide for her own body, is unimportant to me.

Mr Gitlin having a weekly column is obnoxious.

Editor's note: After all you and the Triplicate have been through these many years, your decision to cancel is based on my opposition to abortion, a position shared by nearly 40 percent of the population.
