

Letter: Humane Society

January 24, 2025

I would like to take a moment to recognize our local Humane Society as well as Camp Barry for all that they do for the pets in our community. Both places are full of warmth, compassion awesome staff & volunteers that just go above and beyond for the animals that they care for. I encourage anyone and everyone to stop by both places, check out the atmosphere. Donate if you can. The humane society accepts recyclables, and the proceeds help fund treats for the pets. Camp Barry offers obedience classes and currently has pets available for adoption. If you're looking for a positive pastime, volunteering to walk the dogs would be a great fit.

In closing, Thank you...To everyone...
