

Letter: Vote for Supervisor Valerie Starkey

January 13, 2024

Valerie wrote this when she was running for Supervisor back in 2019.

“As a Supervisor, I promise I will listen to and consider ideas from both sides of the aisle, pick the best people for the jobs that need to be done without regard to their voting record, harness everyone’s creativity and energy to make this city safer, provide services more effectively, and highlight the unique qualities Del Norte County offers”

Valerie has done this. She has been consistently involved in Del Norte County events. I’m a lifelong resident of Crescent city and I really appreciate the time and effort she has put forth to help clean up and make our city a better place for all of us

Please vote for Valerie Starkey.
